Short summary of the work and description of the relation to neuroscientific research. Important criteria of eligibility are in addition to scientific quality and innovation, interdisciplinarity and international cooperation. It is imperative to address these points:

Are you already a member of INGE St.? (mark with a cross where applicable):

yes

no

I would like to become a member of INGE St.

Due to the Data Protection basic regulation (DS-GVO) I agree that the above-mentioned personal data will be processed and, in case of receiving a research prize, both published on the website of INGE St. and will be passed on exclusively to the Land Steiermark as the funding body of the INGE St. This consent can be revoked at any time under admin@gehirnforschung.at. The revocation does not affect the legality of the processing up to that point.
